

Dear Prof. Dr. Mohammad Hossein Omid, Executive Board Member, Iran

Warm greetings from the AUAP Secretariat!

On behalf of the [Association of Universities of Asia and the Pacific \(AUAP\)](#), in collaboration with the [Eastern European Universities Association \(EEUA\)](#), we are delighted to extend our cordial invitation to AUAP Members, Non-Member Universities, and higher education professionals worldwide to participate in the IUNC Russia & Asia Pacific 2027, scheduled for 19–21 May 2027, in Moscow, Russia.

IUNC RUSSIA & ASIA PACIFIC 2027: Strengthening Academic Partnerships and Expanding Global Opportunities

Date: 19–21 May 2027

Venue: National Research University "Moscow Power Engineering Institute" (MPEI), Moscow, Russia

Joint Organizers: Eastern European Universities Association (EEUA) and Association of Universities of Asia and the Pacific (AUAP)

About the Conference

- IUNC Russia & Asia Pacific 2027 is a joint international initiative designed to strengthen academic ties between Russia and the Asia-Pacific region, foster meaningful institutional partnerships, and explore new opportunities for international cooperation in higher education.
- Over three days, participants will have valuable opportunities to:
- Establish and expand strategic partnerships with universities in Russia, the Asia-Pacific region, and beyond.
- Engage in one-to-one meetings with university representatives and international education leaders.
- Explore opportunities for student and faculty mobility, joint research, academic exchange, and collaborative educational programs.
- Exchange innovative approaches to internationalization, student recruitment, and global academic engagement.
- Participate in professional networking, open discussions, and cultural experiences in the historic city of Moscow.

Who Should Attend?

- The conference warmly welcomes University Presidents, Rectors, Vice Chancellors, senior administrators, Directors of International Relations, academic leaders, and professionals responsible for international partnerships, curriculum internationalization, educational program development, international student recruitment, and related areas.
- Exclusive Registration Privilege for Active AUAP Members
- AUAP is pleased to offer a special registration rate exclusively for institutions holding active AUAP Membership.

About Our Partners

Eastern European Universities Association (EEUA)

Established in 2010, EEUA is a non-governmental organization bringing together more than 60 state universities from Russia and the Commonwealth of Independent States (CIS). The Association promotes higher education internationalization, international academic partnerships, student recruitment, and institutional networking.

Host University: National Research University "Moscow Power Engineering Institute" (MPEI)

Founded in 1930, MPEI is one of Russia's leading state technical universities, recognized for its contributions to engineering, energy, scientific research, and international academic cooperation. With approximately 24,000 students and partnerships with around 140 foreign universities, MPEI offers a dynamic environment for international collaboration.
